GRADUATE CREDIT OPPORTUNITY through Notre Dame College at the Northern Ohio Branch of the International Dyslexia Association 31st Annual Symposium on Friday, February 28, 2020. The Symposium will be held from 8:30 a.m. - 4:30 p.m. at Landerhaven in Mayfield Heights, Ohio. Dr. Nancy Cushen White, a national speaker, will be the Keynote Speaker. Throughout the day, attendees will have opportunities to learn more regarding writing, math, and reading. Attend and complete assignments and register for a graduate credit today!

*Structured Literacy For All*

1) **Attend Structured Literacy For All on Friday, February 28, 2020.**
   To register: noh.dyslexiaida.org

2) **To gain additional contact hours needed, you must write a reflection.**

   - Identify: A specific strategy from the workshop and explain its educational significance in the teaching environment you currently work in, or plan to pursue.
   - Locate 3 additional resources, such as books, articles, or journals that support the use of the strategy.
   - Reflect: Submit a 2-page double spaced narrative with APA documentation, with an additional reference and title page, explaining your strategy and identifying potential outcomes of usage in the classroom.

Assessment Checklist--

- ✓ All components are listed accurately
- ✓ Research on additional sources are up-to-date and cited accurately
- ✓ The reflection addresses each component thoroughly, including descriptions of each lesson
- ✓ Academic language and Standard English are used

**COST: $260 for one graduate credit hour. (You must pay the attendance fee and additional credit hour fee)**
